TV Remote Control

1:1 Programmable

USPs:

- Programmable
- 1:1 Replacement

General information:

This programmable remote control is a 1 on 1 replacement for any original TV remote control. The right code, that replaces every single function of the original remote control, is always available in a continuously updated database
http://webshop.nedis.com/page/remotecontrol
There is no risk of the programmable remote control becoming obsolete as it can be reprogrammed time after time.
