

Data sheet:

WL-061

Product code : WL-061
 Product name : Wireless Audio Transmitter
 EAN code : 8716502023295

The WL-061 Wireless Audio Transmitter is the ideal solution for playing wireless music from a notebook via stereo's loudspeakers. Since the WL-061 is completely plug and play you can immediately begin to listen to digitally-stored music, audio or MP3 files via the stereo - and with CD quality. Moreover, since the compact WL-061 has a maximum range of 50 metres the notebook no longer needs to be located near the stereo, thereby offering the user optimum flexibility and user-friendliness.
